

Anastasia Andreou

CONTENT CREATOR
FROM NICOSIA CYPRUS

Portfolio

* *I'm Anastasia*

a content creator from Cyprus,
specialised in developing *engaging*
digital content for different platforms.

With a background in Journalism and Digital Design, as well as strong involvement in NGOs, I'm mostly interested in creating static or video content, tailored for young people.

* When creating content, I focus on making it *engaging, visually cohesive*, and *inclusive*, always staying true to the organisation's *brand identity* and message.

As a content creator, I turn ideas into stories combining creativity, strategy, and inclusivity to engage audiences across platforms and inspire meaningful interaction.

YEAR 2025

ORGANISATION Eurodesk Brussels Link

MY ROLE I was responsible to create different types of content tailored for different social media platforms like Instagram, Facebook, LinkedIn, TikTok.

Eurodesk Brussels Link is the head office of Eurodesk, a NGO for *youth information*.

YEAR 2020-2025

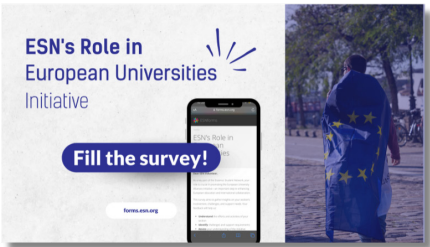

ORGANISATION Erasmus Student Network

MY ROLE I During my volunteerism at ESN, both Nationally and Internationally, I created a wide range of branding materials for different purposes of the organisation

Erasmus Student Network is the largest student organisation in Europe, focusing on *student mobility* and *internationalisation of higher education*.
